## READ, SIGN, AND DATE BELOW

The University has a limited number of scholarships, which include student assistantships and AUR scholarships. Funds awarded must be applied to tuition expenses. Assistance is awarded for no less than one semester. The value of a single scholarship will not exceed the cost of tuition. The Italian Studies Scholarship is renewable until degree requirements are met or for a maximum of four years. Scholarships are awarded for the academic year and will be allocated in equal parts between the Fall and Spring semesters. Students must also maintain full time status.

New students are selected based on their academic credentials from high school or prior university including grades, financial need, standardized test scores, letters of recommendation and extracurricular activities. Incoming new students are not eligible for student assistantships during their first semester.

If a student defers their enrollment from the original entry date a scholarship may be extended for the length of deferral. If the student is asked to reapply to the University they must also reapply for their scholarship award.

Students interested in applying for a scholarship must submit a scholarship application form along with a copy of the most recent transcript, an official government financial statement from parent or sponsor, one letter of recommendation and an essay responding to the essay question written on the application. Applications should be submitted to the Financial Aid Office.
