FROM HERE,
YOU CAN SEE THE WORLD

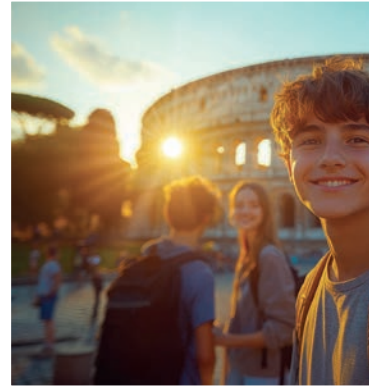

AN INTERNATIONAL EXPERIENCE

Why settle for ordinary when your classroom can be Rome?

At AUR, learning doesn't stop in the classroom - it's lived every day through culture, community, and the shared drive to make an impact worldwide.

Our diverse community thrives in an atmosphere where ideas cross borders, curiosity drives discovery, and every day brings new perspectives on the world.

THE AUR DIFFERENCE

LEARNING ON LOCATION

Why just read about a subject when you can stand in it? At AUR, classes spill into Rome, Italy, and beyond—where theory comes alive through site visits, fieldwork, and real-world experiences.

GLOBALLY DIVERSE

MORE THAN JUST A UNIVERSITY

AUR is more than where you study - it's where you discover who you are. In Rome, you'll forge lasting friendships, connect deeply with your subjects, and grow into the global citizen you're meant to be.

DISCOVER YOUR PASSION AND PURPOSE

At AUR, education isn't confined to four walls. It's dynamic debates, immersive Roman experiences, and expert-led explorations across Italy and Europe.

STUDENT LIFE IN ROME

Studying in Rome means living in the heart of history while shaping your own future.

Italy is the #1 destination for U.S. students abroad, and Rome is their most-visited city. With 60 UNESCO World Heritage sites - more than any other country - Italy is a 24/7 open-air museum.

It's also the world's leader in global cultural influence (U.S. News & World Report, 2024)—synonymous with food, fashion, art, and la bella vita.

And unlike many major U.S. or European cities, Rome offers a surprisingly **affordable cost of living** - so your budget stretches further, from espressos to weekend trips.

Life in Rome isn't just inspiring - it's transformative, pushing you to grow, adapt, and thrive as a global citizen.

MAKING ROME YOUR NEW HOME

AUR offers safe, convenient university housing close to campus. Our fully furnished apartments put you in the heart of Roman life, where you'll experience Italian culture firsthand while building friendships that last a lifetime.
