The University has a limited number of scholarships, which include student training positions and AUR scholarships. Funds awarded are applied to tuition expenses. The value of AUR scholarships will not exceed the cost of tuition. The Hardship scholarship is not automatically renewable, and students must reapply should they continue to experience a specific hardship. Scholarships awarded for the academic year will be allocated in equal parts between the Fall and Spring semesters. Students awarded in the Spring semester must reapply by April 1st to be considered for the new academic year. Students must also maintain full time status and remain in good academic standing to be eligible. Only returning AUR students can apply for the Hardship Scholarship.

Students who are awarded for the entire academic year and choose to take an academic leave of absence or participate in an *independent* student abroad program, will only be allowed to apply the scholarship funds awarded for **the semester in which they are attending AUR**. Spring semester scholarship awards will not be deferred therefore students will have to reapply by April 1st in order to be considered for the new academic year.
